## Winter Tanning...

Getting ready to travel south this winter... any place that's warmer than 10 degrees would be wonderful.

Get the sun-kissed look of summer right now with our popular self-tanning mousse. This product is easy to apply and will not streak or stain.

**Best part - it dries instantly and is not sticky! You can even add a dot to your face cream to give your face a healthy glow!**

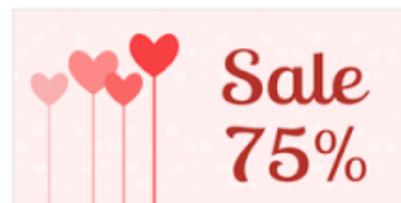

## UP TO 75% OFF Many Items

Carie has marked down many items *up to 75%* throughout the store.

At this time we have a good size and color selection, but these great bargains are going fast.

Selection includes many Tribal sweaters, vests, Mesmerize pants (great for this winter weather), Parsley & Sage tops, and so much more.

The secret is to get here early to find your perfect size!
